Project Manager | Technical Delivery

Des Moines, Iowa • andrew@lawaProjects.com • (515) 988-9588 • linkedin.com/in/kruegg

Results-driven Program Manager with over 10 years of experience delivering strategic initiatives, process improvements, and cross-functional programs in fast-paced environments. Skilled at leading end-to-end projects, from planning and execution to optimization, while aligning stakeholders, managing risk, and ensuring value delivery.

Experienced in agile and hybrid methodologies, stakeholder communication, and vendor coordination. I take complicated challenges and break them down into practical, step-by-step action plans that teams can execute successfully. Passionate about building scalable systems, fostering team growth, and driving outcomes that bring meaningful change.
